

Shipping & Payment Information

Shipping is carried out exclusively by UPS and is always fully insured worldwide.

Once your package is picked up by our contractor, you will automatically receive the tracking details via email.

Please note that we do not deliver to pick-up stations.

The shipping costs will be calculated as follows when completing your order:

	Standard
Germany	Free
EU Countries	15,-
RoW	50,-

Payment

We accept the following payment methods:

Paypal

Pay securely with the PayPal online payment service. If you choose PayPal as your payment method, we will forward you to the PayPal website before completing your order or you can place your order via "Directly to PayPal". Log in with your personal PayPal access data to complete your payment. Once PayPal has received your payment, we will be notified about your completed purchase by PayPal. Further information about PayPal can be found at www.paypal.com.

Credit Card

You may complete your purchase with your card. The invoice amount will be debited from your card's account at time of order. All data that you transmit for payment is absolutely secure from access by third parties. We do not keep your debit or credit card information on file.
